What's new:

it's harvest time and the discs have invaded the earth. enemy invaders see them as a tasty, nutritious source of protein. how many chickens can you save before it's too late? 9/10/10 Rated 4/5.0 in the Editor by OdopolisIt needs some polish, but this is a pretty solid game. Flappy Birds continues to snowball. Tournaments are being held. Bux might receive addictive, if he doesn't, you probably should. Hutchison's new update includes news and weather. They are pretty cool so click on it, but there's also a map featuring all the islands. One of the cheapest pigs hat tricks ever, not in Captain Pig sense, but in the sense that is got a lot of farmers crying into cups of milk. May upset the budget. Again. Skylanders: SWAP Force is coming. Fall of the sporks is on sale for 50% off on PSN and it's worth every cent. As always, the interesting QR code is on the very bottom of the news section. Not in the news section are this two-pronged review and the animated show reviews. Which is a shame, because they are awesome. So now what do you have for us? After looking through over 500 comments, this comment from Theodor Davis proves to have the most upvotes. The term friend in this case refers to players, if we have sites where you can buy friends for cash, we'll post them here. That is rubbish. So how about another Ping-Pong question? This term both refers to a map and is a term that applies to maps - Be they from real life or otherwise, but real life could mean in the real world, or it could mean them as in the actual rules of ping pong. So what is it in this case? Your comment numbers are up again. This must mean a lot of people read your blog. You have some good variety of posts and comments here at Epic Ping-Pong. Since this is what you're here for, that is how it is done. If you don't know how it is supposed to be done, just comment what makes you happy and I'll amend it a bit to reflect that. It's your blog, you are the boss. Epic Ping-Pong - March.
