Not only that, it's already on all torrent sites so here it is for free. David - please note that this title is illegal and I do not condone piracy - and that it's indeed illegal to download anything from the Internet and pass it off as your own work. Even though the torrents are already available, this is still against the law. If you can, you should support my work by buying the DVD instead. Basically, I believe that the endless copying of movies, music, software and software developers is indeed a crime against society and copyright. If you agree, please support my work by buying or renting the work instead of downloading it. Mallu(s) FREE DOWNLOADS GALORE! At least 500 people have died after Typhoon Hagupit -- one of the worst storms in recent memory -- slammed into central Philippines, destroying lives and destroying infrastructure. It's the worst typhoon to hit in the Philippines since Super Typhoon Rammasun in 2009, which killed more than 6,000 people. The typhoon has been classified as an extreme cyclonic storm and is expected to make its way across the Philippine Islands this week, moving north-northwest at 20 miles an hour. The storm is headed toward Baguio, a mountain resort city, as it intensifies, but will turn northeast when it reaches the northern part of the Philippines on Wednesday,
