can a man change his spot? thats the question at the heart of out of print, a new collection of short stories by internationally bestselling author elle kennedy. when a nerdy college student discovers a manuscript that might change his life, he doesnt hesitate to get his hands on it. he will sell the manuscript, and move to a foreign country, if he has to, to save his life, but there is one problem. this book could be a masterpiece, but it has no right to be in print. its definitely out of print. its been in limbo for so long that no one seems to know its existence. its not even really a book. its just a manuscript, but theres no way this guy can get this manuscript published, or even sell it to a publisher. but theres no turning back, and theres no turning a good thing into a bad thing, so this little nerd has to take a risk and take a chance. and when he does, its a deal that changes both of their lives for the better. new york times bestseller elle kennedy brings you a sexy new off-campus novel that can be read as a standalone she's about to make a deal with the college. what starts as a fake dating trope of course turns series in this na romance. can hannah and garrett overcome their pasts to look to their future tw domestic. discover the deal as it's meant to be heard, narrated by christian fox, lorelei avalon. free trial available! gareth is a sweet a-hole. logan is a sweet a-hole. dean heyward-di laurentis is just a simple a-hole. or noti loved this book! the two main characters were perfectly matched and their backstories and character development is amazing!i know.. youll say its just a smutty romance but i swear theres more to it!allie trying to deal with her break-up and figuring out her future is a great female character. she has everyday problems as a senior student but her dad has sm and it gives her character a little twist! shes caring and gentle. but a wildcat in the bed!dean is a sexgod. and thats it! or at least this is what everyone sees in him and hes fine with it! but allie stepping into his life turns everything upside down! his new coach gives him a hard time but at the same time provides him a great opportunity that might change his future!this books is so funny and entertaining that i couldnt stop reading it! allie is a perfect match for deans jokes and the smut its amazing!this story has some great points in connecction with more serious issues as well! sm is one of them, but grief, coping with grief, findig your passion and destructive relationships are also mentioned and some of them is nicely described in this book!i really recommend this series to everyone who loves a romantic story with a bad boy in focus and some refreshing smut!

Elle Kennedy The Deal Epub Vk

more than a deal by elle kennedy elle kennedy is a friend of mine and i adore her work. of late elle kennedy has been writing some of the most entertaining series out there. this is just one of the series i adore. this book will make you laugh, cry and swoon like its heroine. always tell someone to read the next book in the series! destiny, paco, & isabella - badly needed - please read series is the best series out there. i'm pretty sure elle writes the most entertaining stories i've ever read. i not only enjoyed this book, i laughed, cried and i swooned so hard i had to read it twice! i love elle's characters, their witty banter and their sass. fans of the off-campus genre will fall head over heels in love with this story that will have you happily reading away till you find out who's the off-campus dater, and who's the off-campus deal-maker. the renegade hero stepped out of the shadows and he belongs. if you haven't read the score (off-campus, 1) i highly recommend this story if you enjoyed elle kennedy's other books, you will love this off-campus, na, book as much as the rest. the score will prove to be a favorite among book lovers, and fans of elle kennedy's books is the perfect way to kick-start the new year. elle kennedy is a small business woman, a wife, a mother and a grandmother. people who know her have known her a long time and are always welcoming to me when i drop by their homes, along with their favorite drinks and snacks. she has a large following of fans across the us and the world. but the true test of a true girlfriend is that if you lose your other half, you will drop to the ground and pick him back up without him ever even knowing youve done it. already on the first date, they were laughing and playing around, kicking back by the bonfire toasting marshmallows and making hot cocoa. he told her she was always fierce. she confessed that was the first word she could say to him without thinking and that she didnt know what it meant but it sure does describe him. he graciously smiled at her and asked what she thought about it. she looked at him and looked away and replied, i am fierce. 5ec8ef588b
