In Fire & Sword, the highly acclaimed combat system from Mount & Blade: Warband is created and expanded. Firearms have appeared on the battlefield. However, the main theme of the game is politics. Characters fight for huge territories. In their hands is the real power. Their goal is to seize the throne. And their enemies are powerful opponents. In the world of Fire & Sword is not without murder. Wrong rulers, villains, assassins, victims - they all appear on the game map. However, the characters can only destroy specific people. Unlike heroes in other games, they are not immortal.
